

HEARTLAND LANDSCAPING INC.

As the premier landscaping, lawn care, tree, and restoration service in the area, Heartland Landscaping Inc. offers some of the most modern landscape designs available today.

Designer Carol Tillman is a graduate of the University of Illinois in Agricultural Communications. With over eleven years of experience, she enjoys helping customers find their dream landscape plan. "One of the greatest satisfactions is to match a customer's likes and lifestyle to their landscape for uniquely personal designs."

Operations Manager Tony Arend is a graduate of Southern Illinois University's forestry program and brings an extensive background in landscaping and lawn care experience. "Our primary focus is improving the appearance of your property," said Arend.

Landscape consultant Brice Denton is a graduate of Southern IL University in Plant & Soil Science. Brice has over 14 years of experience in turfgrass management and irrigation to offer customers. With Four years of project management in golf course build/renovations, he enjoys working closely with customers on projects.

Heartland Landscaping Inc. services both commercial and residential customers and prides itself in providing quality services in a timely fashion.
